Transformers director shoots Victoria's Secret models!

WE WOULDN'T say that making lingerie ads is easy, but Transformers

director Michael Bay really did go route one with Victoria's Secret's latest promotional video.

A big question is flashed across the screen: "What is sexy?" Cue a selection of genetically advantaged ladies stepping out of a Lambo Aventador, then writhing in front of a wind machine in expensive smalls. It's essentially the concept a 13-year-old boy would come up with. Which is not a criticism, by the way.

Welcome to Walrus Island!

Toothy sea elephants congregate in style!

LOOKING FOR all the world like a bunch of office workers in a pub garden enjoying their first ciderfriendly evening of the year (still TBC, sadly), this amazing picture was snapped on a chunk of ice floating in the Chukchi Sea, 20 miles off the coast of Alaska.

For here are hundreds of walruses, huddling together, taking a break from clam-hunting in the cold water. These sociable animals do congregate like this, but can also stampede at the presence of a killer whale, polar bear, or particularly potent, clammy guff!

Finally, it was time for politicians to accept global warming stats

All-new funnies from the floppy haired comic!

On Comic Relief!

"I haven't done a lot this year. I did Comic
Relief. We raised a lot of money and it was very
successful. It's very moving when you see Lenny
Henry highlighting some of the appalling living
conditions suffered by so many around the
world. Then I realised it was an advert for
Premier Inn. I thought, 'F**k me. People
are sleeping on those purple sheets?
People are eating those breakfasts?'
I phoned the number to donate
and had to spend a
weekend there."

On his wife!

"I bought my wife this very expensive anti-wrinkle cream. If she gets wrinkles in 20 years' time, I'm going to take it back. 'Hello, yes, I purchased this cream 20 years ago, I've still got the receipt, which you'll notice is in better condition than the face of my wife."

On hotels!

"I was on tour the whole of last year, so I stayed in a lot of hotels. I walked into one hotel and there was a woman on reception who seemed to be flirting with me. This does not happen often in my life. It was uncharted territory. She had fluttering eyelashes, dimples and an accent. She went, [Does accent] 'Harrow!' I was like, 'Hello.' 'You check in?' which was an odd question - I had bags. 'No, I'm pole vaulting.' 'You so funny! Your name please?' 'McIntyre.' 'Michael? You stay with us the one night?' 'Yes, not with you though.' 'You so funny! You like newspaper?' 'No, it's fine thanks.' 'You need alarm call?' 'No, I'll wake up naturally, thanks.' Then she asked me an odd question for someone staying in a hotel on their own how many keys did I want for the room. 'Do you want wanky?' 'I'm sorry, what do you say?' 'I can do you wanky if you want?' 'Is that included in the wake-up call because I might actually go for that?""

On names!

"I was doing a gig in Scotland and there was a guy in the front row waving his glasses around. I was like, 'What have you got glasses for? Are they reading glasses? Do you not have high hopes for the quality of tonight's entertainment? Are you planning to read during tonight's show?' He just looked at me and went, [does thick Scottish accent] 'I've got a lazy eye.' You could feel the atmosphere shift in the room. I tried to lighten the mood so I said, 'What's your name?' He said, 'lan.' I couldn't resist – I said, 'Is that with two 'I's?'"

On his penis!

"Sometimes, your penis starts to shrivel into itself and you think, 'I've got disappearing penis!' and you have to deal with it. It's just happened now. I'm thinking, 'I've got to try to unravel this baby while delivering a joke."

On being famous!

"When I'm on the phone and someone says, 'Say your name,' it's exciting because I've been on TV. They go, 'Can I take your name, please?' I go, 'Yes, it's Michael McIntyre.' They go, 'Oh my God, really?' I go, [smugly] 'Yes, really.' Sometimes they say, "The?" and I say, [even more smugly] 'Yes. The.' I feel sorry for people who have my name but aren't me. [Disappointedly] 'A?' 'Yes, a."

"I was paying my gas bill the other day and this woman didn't give a sh*t. I said, 'It's Michael McIntyre,' and she said, 'Is that Mc or Mac?' and I said, 'McIntyre.' She went, 'Oh, like the comedian?' I got a bit cocky and went, 'Yes. Exactly like the comedian.'

And she said, 'I don't find him funny. Do you?'"

On sneezes!

"Sneezes are fun. People get involved.
'Achooo!' 'Bless you.' 'Thank you.' '
Achooo!' 'Bless you.' 'Thank you.'
Every so often, you sneeze and a whole
lot of sh't comes out. Snot
is flying around and people are
like, 'I'm not blessing that,
you prick!'"

On being sick!

"Another way your body betrays you is the mini-sick. What the f**k is that? It's not like you're feeling nauseous and for no reason your mouth fills with vomit and you're forced to swallow it down. The shock is so great, you have to tell the nearest person, whether you know them or not! 'Excuse me, I've just been sick in my own mouth."

On eye tests!

"They have letters that get smaller and smaller and all you have to do is read them. If you can't read them, you need glasses – that's the deal. For some reason, if you can't see the letter, instead of saying, 'I can't see the letter,' which they need to know to give you glasses, you guess, which completely defeats the purpose of the test. 'D. Can I change that? It's F... It's G!' It's not a game show! You don't win the glasses. Somebody must have guessed them all correctly even though they're nearly blind. 'Is it a Z? I'm not even looking.' 'Yes, you have 20:20 vision. Now don't drive into any oncoming traffic.'"

On golf!

"I've just started playing golf. I went to a golf place and it was full of old people. This is what happens as you get older – you stoop lower and lower [mimes stooping] until you reach a point you're like, [mimes taking a swing] 'Golf!"" Michael plays Channel

Mental mountain climber!

This Peugeot is what rally champ Sébastien Loeb will be bombing up a big hill in!

- This is what happens when you modify a small French hatchback for a nine-time World Rally Champion to drive up a steep hill in Colorado.
- It's Peugeot's 208 T16, a race car very loosely based on Peugeot's latest model. It pays homage to the 1988 Peugeot 405 T16, the acknowledged godfather of the Pikes Peak International Hillclimb, a 20km, 156-corner road that rises 1,500 metres.
- Come 30 June, the 208 T16 will mark Pug's return to the climb after a 14-year absence. It'll be driven by the legendary ex-Citroen WRC driver Sébastien Loeb.
- Pikes Peak is a race to the top of a mountain. The snaking cliff road rarely features crash barriers, so if you bin it off the road at 140mph, you'll likely fall 900ft into oblivion.
- In an effort to avoid this, Pikes Peak racers come with Transformers-style groundeffect body-styling. The 208

- T16 is no exception, with a huge front air dam, skirts and rear diffuser big enough to double as a dog kennel.
- The car isn't really so much a 208 Pug, but more the rough shape made from carbon and dropped over a tubular steel space-frame chassis.
- Full technical details are yet to be released, but it looks to be mid-engined, massively turbocharged and probably four-wheel drive. So, 62mph will pass in 2.5 seconds, up to a top speed of 180mph.
- Among the spider web of steel framework inside, you'll notice a central driving position, a steering wheel, wrap-around bucket chair and not a lot else. You don't need co-drivers on the Race To The Clouds.
- Good luck taming this beast, Seb. The old 405 T16 was animal enough – over 600bhp in a car weighing barely 900 kilos. And that was back in 1988. Want one? Sorry, it's not for sale.

The star on directing and Downton Abbey!

Hi Robert! In *Iron Man 3*, Tony Stark
gets stripped of his

famous tech when baddie The Mandarin attacks. How did you feel taking the "man in a can" in a new direction?

We figured after *The Avengers* you couldn't top that for spectacle, so I'm just so pleased now that having seen *Iron Man 3* people are telling us we did it correctly. Enough for me to be proud to announce the next instalment, which will just star Rebecca Hall and me, called *Iron Man 4: Parade's End.* You're gonna love it 'cause there'll be a lot of this! [Robert holds up a doodle of a pair of boobs!]

Your co-star Don Cheadle gets to don the Iron Patriot suit and Tony Stark has his new "Mk42"suit. Which one rocks the hardest?

We just wanted to get to a point where kids would be asking that question when they left the theatre. We wanted people to be having conversations about what genetics technology could mean and – without being political – is terrorism media driven? I'm happy those arguments will be occurring. They're debates about entertainment.

What's been your favourite Iron Man suit?

You never forget your first time! I like the fanboys who like the original Mk1 because that's the one he builds to save his life. It's the one he builds out of desperation. But I have to say that there are some suits in *Iron Man 3* that are pretty awesome!

It's a real return to form and an amazingly fun film. What makes Stark so unbreakable when his world's threatened?

I love you. Let's have dinner! In a post-Avengers world we ask questions like, wouldn't Stark be a bit freaked out? Tony's post-traumatic stress and how he comes back from that wound up being part of the theme. Sir Ben Kingsley [The Mandarin] will tell you that we didn't rest on our laurels and were flexible with the story to make it realistic after the events of The Avengers. What Sir Ben won't tell you is that there are scenes in the movie where we would throw any and every idea we could at him and he would bounce it right back. He was throwing heat like it was the sixth game of the World Series and he was the winning pitcher. Thank you for that lovely question. I adore you.

You're looking ripped for the on-screen action. Is it a battle to stay in shape as you, well, start getting on a bit?

I hate to say it, but Don Cheadle's in better shape than I am, and is more physically capable, but I'm not gonna let it stay like that! There's no question that the dialogue between Don and me on who's more fit is going to end with... "Iron Man 17: Old Guys Jacked Up On Growth Hormone"!

Was the fourth outing in the iron suit the most challenging?

For sure. I moved around a lot more than I expected to. [At one point, filming was delayed on *Iron Man 3* when Robert damaged his ankle.]

Would you ever like to direct a superhero movie?

You mean just eliminate the middle-man and not work with people like Shane Black? [creator of *Lethal Weapon* and writer/director of *Iron Man 3.*] But seriously, be the director? And worry about the budget while working with several of the most self-obsessed and eccentric human beings on Earth? It sounds so exhausting!

What did you enjoy most about making the new film?

If I was Tony, I'd say that what I enjoyed most was being the

centre of attention again! It was very good for my humility to realise that I was a part of a bigger thing in *The Avengers* and it worked splendidly.

Thanks, Robert! Finally, can you explain how *Downton Abbey* ended up in *Iron Man 3*?

That was [Iron Man 1 and 2 director] Jon Favreau's idea. He likes it anyway and thought, what would be the strangest thing his character Happy [Stark's bodyguard] could be obsessed with watching? And he thought the themes were similar.

It's a great privilege. Not every girl can do it and for some it only happens with one person. Make sure you don't make her feel uncomfortable about it, or the relationship will soon fold. Most of all, enjoy it! Sex in front of the mirror would be ideal. Be proud of yourself, too.

The King Returns

i Amir! You're fighting Mexican Julio Diaz in Sheffield this weekend - your first fight in the UK in over two years! Looking forward to it?

Yeah, it's always nice to fight in front of your home fans. I've built up a loyal fan base over the past few years. They've been coming to watch me fight in the States so I'm glad to be able to repay their loyalty by fighting in Sheffield.

Have you missed fighting in front of a home crowd?

Yeah, because the home crowd can give you the drive to win the fight. I had other options as well, but I wanted to come and fight in the UK again, so I took a pay cut to make it happen.

Julio Diaz won't be easy, even with the home crowd though, right?

He's a former world champion and he thinks he can take me out! He said he can make a statement by beating me so he'll be coming for me. I was hoping for a rematch against Danny Garcia but this is the fight we've got and it'll be hard.

So you didn't really want this fight then?

Well, we offered it to a few people like Lamont Peterson and [Vyacheslav] Senchenko, the guy who beat Ricky Hatton, but they both refused it.

Who has more to lose, you or Diaz?

I think I always have more to lose than my opponents. I'm one of the bigger names in this weight division and I'm fighting at home, so there's more pressure on me to win than him.

There are plans for a tournament involving you after this fight. What can you tell us about that?

Golden Boy Promotions have put together a plan that involves me, Lamont Peterson, Danny Garcia, Lucas Matthysse and Zab Judah. We've all got

They hadn't quite

mastered pat-a-cake

fights to get past, then the winners of those fights will fight each other. So it's getting the best fighters from the division together. Hopefully, by the end of the year, we'll know for sure who the best is. I could be the unified world champion by the end of the year, if it all goes to plan.

What did you make of Curtis Woodhouse having it out with his Twitter troll?

You're always going to get people on social media giving you abuse and stuff. I use it as a help and as motivation in a way, because it's only going to push you to work harder. Sometimes it can get a bit over the top but I've got over a million followers, so you're always going to get one or two that do it. I've got a few haters and a lot of people that love me, so why turn it off? I still want to keep my fans updated with what I'm doing, you know.

Are you a bit miffed that someone else pinched the @amirkhan

Twitter name?

Ha-ha! Not really. I mean, I'm happy with @AmirKingKhan as people are familiar with that now and it's what I'm known as in boxing circles. It's pretty cool!

Have you ever met any celeb and thought, "He's annoying, I'd love to get him in the ring"?

I can't really think of any off the top of my head. The ones I've met have been lovely. I've always got on well with them. I tell you what, my friend Saj has a growing fan base on Twitter so we can count him as a "celeb" now, I guess. He's always playing practical jokes on me. I wish I could get him in the ring to teach him a lesson. Also, Keith Lemon needs to be taught a lesson after messing around with my personal stuff at home when he was filming Through The Keyhole for ITV!

OLYMPIC GLORY!

Newcomer Amir bursts onto the scene as a 17-year-old by winning the Olympic silver medal, losing out on gold to the Cuban veteran Mario Kindelán in the final.

After being biffed on the hooter, Amir is sensationally knocked out just 54 seconds into his 19th professional fight, by little-known opponent Breidis Prescott.

WORLD CHAMP!

Less than a year after his defeat to Prescott, Amir dusts himself off and becomes a world champion by beating Ukrainian Andriy Kotelnik on a unanimous points decision.

DODGY DEFEAT!

DECEMBER 2011 Amir's decision to defend his title against Lamont Peterson in his hometown of Washington DC backfires, as judges award the challenger the decision.

SERIOUS SETBACK!

Amir's hopes of regaining his title are dashed by undefeated American Danny Garcia, as he knocks the Bolton boy out for the second time in his career!

KHAN WINS!

DECEMBER 2012 Following successive losses, Amir splits from trainer Freddie Roach and gets back to winning ways. stopping his next opponent. Carlos Molina, in the tenth round,

Who do you most want to fight before you finally retire?

It would be Floyd Mayweather. Purely because he's the best-known fighter out there and he's the best at what he does. so I want to fight him!

Have you ever been invited to appear on any wacky reality TV shows?

An offer came through from I'm A Celebrity... and a couple others, but I prefer to stick to sport.

David Haye told us his junk food vice is a massive Sara Lee gateau. What's yours?

When I'm not training, I like eating out.

I'll go out for a nice big curry or something. But normally I have to watch what I eat because of training. Typically, I'm eating a lot of vegetables, fish, steak and that kind of thing.

What junk food do you eat after a fight?

A hot fudge cake with ice cream is probably the first thing I go for after I've fought.

Frank Warren has recently lost a few fighters from his stable, is he in any trouble?

Frank's been doing this for a long time and he's one of the best boxing promoters out there. You're always going to have ups and downs in this business. Knowing Frank, he'll probably bounce back even stronger than before.

Thanks, Amir. Finally, do you reckon you're going to knock Diaz out?

I'm going to push all the way to get the knockout, and he'll be thinking the same. I reckon this fight is only one away from a world title, so I need to win it. I want to win it in style, too!

 Amir Khan vs Julio Diaz is live on Box Nation (Sky ch.437, Virgin ch.456) from 7pm on Saturday 27 April.

Nuts explores
Thailand's
ghoulish
trade in DIY

with the Bangkok body Snatchers

T'S 2AM in a deserted Bangkok back street. A small group of people are sat huddled in a parked pick-up truck, listening intently to a crackling police scanner.

Suddenly, an emergency call comes through. There's been an accident. Someone, somewhere in the city, has died as a result of it. The group take their positions, the driver hits the accelerator and they race off into the night. These are not ambulance drivers. These are the men and women known locally as the "body snatchers".

Jason P Howe, an experienced photojournalist who has worked in some of the world's deadliest places, was our man on the road with this macabre mob. The faction he aligned himself with are called the Ruam Katanyu, and he describes the lives they lead as similar to being in a war zone, in that it's "95 per cent boredom, five per cent sheer terror". They ply this gruesome trade because there are few public ambulances in poverty-stricken Bangkok, Jason explains:

"If it wasn't for them, people would just be left to die on the streets."

Body snatchers often work

Some volunteers work up to 80 hours a week

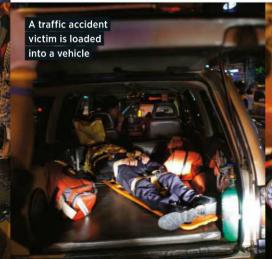

without pay

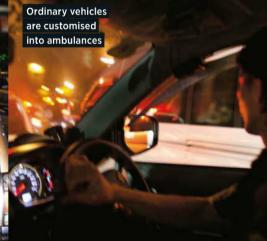

The chances are, whenever someone gets killed in the city, the volunteer crews will race to the scene. In an average night, they could be called to mop up after murders, gang fights, domestic disturbances, suicides and all manner of morbid mishaps – and in 2013, the clean-up crews are busier than ever. Political instability has led to a surge in gun crime, which means Thailand now has the highest murder rate in the whole of Asia.

The bulk of the body snatchers' work, however, arises from traffic accidents on Bangkok's notorious roads.

30 Nuts

Road safety in Thailand, or the lack of it, made headline news recently when there were an astonishing 52 deaths and 556 casualties in just one day during the 2013 New Year holiday.

The unpaid

Bizarrely, the volunteers do what they do for little or no payment. What scarce compensation there is comes from charities funded by public donations, although many of these unofficial undertakers are in it purely for the thrill, seeing the practice as an exciting

BODY SNATCHERS

hobby. Others body snatchers are keen to observe an age-old Thai custom firmly rooted in what we might call karma. They believe in cause and effect and that the more "good" they do in this life, the better level of existence they can achieve in the next. In fact, the level of prestige associated with body-snatching is so high that recent years have seen several notable Thai celebrities take on the role for reality TV shows in order to give a boost to their public profile.

The use of "yaba" (which literally translates as "madness drug" - it's a kind of methamphetamine) is widespread as the crews battle fatigue. Some volunteers patrol the streets for up to 80 hours a week in addition to holding down full-time iobs. In fact, it's not unusual for those who seek out Bangkok's dead to go up to three days straight without sleep.

Rival gangs
The Ruam Katanyu aren't the only bodysnatching organisation on the roads. There are several others, notably an outfit called the Poh Teck Tung. Divisions are based on territory, with each group agreeing to take certain patches of the city. If one happens to stray onto the other's turf, trouble often ensues.

Members of opposing crews have clashed regularly in the past, and some take matters further by brawling at the scenes of accidents. On one occasion while on patrol, Jason remembers, somebody opened fire with an Uzi, spraying a rival's vehicle with bullets. For a while, many members stopped wearing Ruam Katanyu colours for fear of being targeted, and some now carry guns, baseball bats, pepper spray or other weapons for their own protection.

The fragile arrangement between the Ruam Katanyu and the Poh Teck Tung has been challenged in recent years by the emergence of smaller

rogue crews hired by private hospitals to bring in accident victims for treatment. The victim, often too badly injured to protest, has no choice but to pay up or have the medical bill pushed on to his family. This kind of financial transaction involving the hospitals and ambulance crews is illegal, but money can be a powerful motivating force. It's said that these ruthless new crews will stop at nothing to be first on the scene of an accident, and their activities are rumoured to extend to sabotaging vehicles and even causing accidents themselves.

The gangs Jason patrolled with see themselves as offering a valuable public service, but the local population often dismiss them as ghoulish vultures. They're regularly suspected of relieving the dead or dying of money and valuables and, in some extreme cases, accusations of organ harvesting have been levelled at them.

In Thailand's superstitious culture, these so-called body snatchers are often labelled the equivalent of witch doctors or cannibals - all for doing a job nobody else wants.

BEST BOORS

240) 3

WE ASKED you, the *Nuts*-reading gent, to vote for the greatest boobs in the world, and you spoke in your millions! From pert Poles to busty Brazilians, we present to you your top 100!

We begin our saucy worldwide boob-off with a pretty one from the US. Aubrey's known for her reality telly roles. And her great boobs.

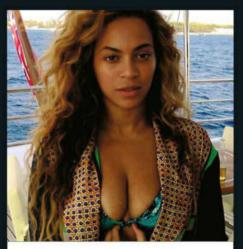

The first of our *TOWIE* beauties on the list, Chloe had a £4,500 buttock lift in 2012. But today, we celebrate her northern region.

Loads of awesome tattoos, a beautiful face and heavenly boobs. What is there not to like about our homegrown 'Bella? Nothing!

You know you're famous when you don't even need a surname. But which particular part of Beyoncé is your favourite? You've told us!

P6 DAISY LOWE ENGLAND

Naughty Daisy posed completely starkers in *Playboy* a couple of years ago, insisting it was "artistic". Isn't art just brilliant sometimes?

THE SHANNON TWINS

Technically double the beautiful boobs for your money, as you understandably – and quite rightly – couldn't pick a favourite twin. Enjoy, chaps!

Katie was the queen of boobs back when we knew her as Jordan, so here's a lovely reminder of the booby japes she used to get up to.

93 HEIDI MONTAG

She might have wussed out in front of a nation on *I'm A Celebrity...*, but the 26-year-old beauty still has it where it matters up front.

With 32C boobs of perfection, the well-deserved winner of Page 3 Idol 2013 Melissa is the perfect embodiment of the term "a handful is plenty".

AUDRINA PATRIDGE

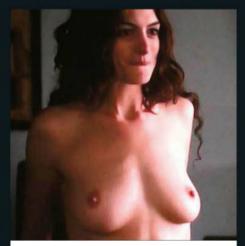

USA

The gorgeous 27-year-old star of MTV's *The Hills* has English, Belgian, Italian, Polish and German ancestry. Here she's flying the flag for the US.

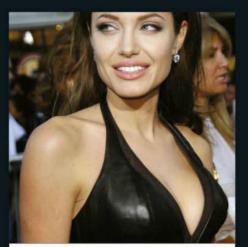

While her pop career might have been forgettable, the *TOWIE* star's boobs are rightly ingrained on the memories of the nation's blokes.

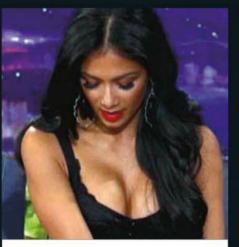

The Hollywood hottie got us hot under the collar as a leather-clad, boobtastic Catwoman in *The Dark Knight Rises*. And no wonder!

ANGELINA JOLIE

No one's boobs were better suited to the role of Lara Croft than lovely Angelina's, and they're still looking brilliant all these years later.

NICOLE SCHERZINGER

Her surname might sound a bit like something you'd order in KFC, but the *X Factor* judge has the kind of spicy fillets we can only dream of.

THE BADURA TWINS

We thought our eyes were deceiving us when these sexy twins peeled off in *Nuts* in 2011. Thankfully, they weren't. A pair of perfect Poles!

CHANTELLE HOUGHTON ENGLAND

Big Brother babe Chantelle recently released her own brand of fake eyelashes, but it's her beautiful boobs you lot seem to like her for.

PAMELA ANDERSON

She might be old enough to be your mum but, hey, the whole world still fancies the kidnapped-by-Borat, 45-year-old Pam.

82 LAUREN POPE ENGLAND ₩

We've been admiring TOWIE babe Lauren's lovely boobs since Nuts began, and they've obviously made a lasting impression with you lot too.

HELEN FLANAGAN ENGLAND

Our Helen didn't last long on I'm A Celebrity..., but her boobs have made a far more permanent impression on a nation of boob-lovers.

CHERYL COLE ENGLAND =

Girls Aloud might be no more, but if it wasn't for the pretty pop princesses, we'd have never been introduced to Cheryl's ample charms.

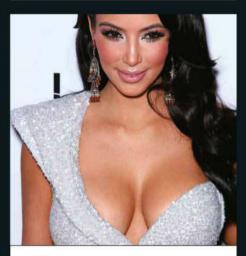

AMY CHILDS ENGLAND ===

You'll probably have noticed that there are a lot of TOWIE babes in this raunchy run-down. No doubt about it, we have a lot to thank Essex for.

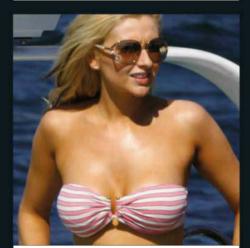

EVA MENDES USA 🔚

The Floridian beauty's acting career might not have reached classic status, but when it comes to boobs, Eva is simply legendary.

KIM KARDASHIAN

Mrs Kanye West might be more famous for her bootylicious bum, but she still deserves a mention in any countdown of the World's Best Boobs.

76 GEMMA MERNA ENGLAND ## **GEMMA MERNA**

The booby blonde bombshell has revealed in the pages of Nuts many times the reason why we all watched Hollyoaks. Thanks, Gem!

KENDRA WILKINSON

US socialite Kendra has it all, from an American football-playing husband to her own reality series. Oh, and some smashing boobs, too!

MARIA FOWLER ENGLAND ==

Maria recently made headlines for tweeting cheeky snaps of herself. Now we know why she has well over 400,000 followers.

This Californian cutie is the better half of rapper bloke Ice T. Presumably, their offspring will also be given a beverage-themed name.

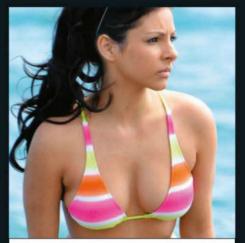

MIRANDA KERR
AUSTRALIA

The awesome Aussie model has recently had to dodge rumours that she'll no longer be modelling Victoria's Secret undies. Gulp!

HOLLY WILLOUGHBY ENGLAND

The lovely Miss Willo-booby, currently hosting BBC's *The Voice*, has reportedly earned £10million in her career. We'd pay that just to see The Boobs.

The ace actress has gone from farm fittle on Emmerdale to horror-flick hottie in Lake Placid 3, but she looks stunning whatever she's in.

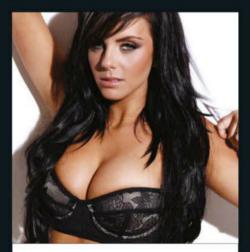

69 EMILY O'HARA ENGLAND

Lovely Emily went from being naughty in *Nuts* to causing mischief on last year's *X Factor*. What a pair she has! (Of lungs, of course.)

Carrie first shot to fame as one of *Nuts'* Next Top Models and then went on to be yet another brill babe on *The Bachelor*. Nice!

NATALEE HARRIS
WALES

MTV's *The Valleys* has given us a lot of reasons to get all hot under the collar – here are a couple more, courtesy of Welsh wonder Natalee.

Danni says her ultimate photo shoot would include Kate Moss and herself. We hope the styling would be similar to this.

Nuts legend India Reynolds said of Paige: "She has the most amazing bum I've ever seen!" But today, it's all about her brilliant boobs.

DIORA BAIRD

Diora once lent her voice to the makers of the Scarface videogame. "Say hello to my little friends!" Indeed, Diora. Indeed.

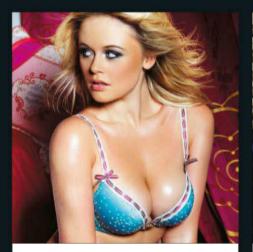

ALESSANDRA AMBROSIO

BRAZIL

Here's the busty Victoria's Secret model doing her best to combat the myth that all Brazilian ladies are busty babes. Oh, hang on...

We loved Emily as super-fit Charlotte in The Inbetweeners, but we can think of somewhere else we'd like to be in between.

There were a few things to thank Desperate Scousewives for, and we're particularly grateful for the introduction to Amanda's awesome assets.

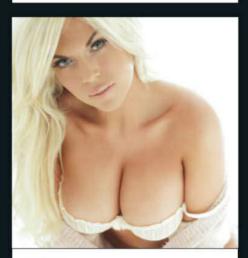

NATALIE BLAIR ENGLAND **H**

Carlisle is known for being the gateway to some of England's finest peaks, but here are a couple from the town itself. Hello Natalie!

WORLD'S BEST BOOBS

JESSICA KINGHAM ENGLAND

Yet another newbie *Nuts* babe brightens up our world with her breathtaking boobs. We can see why you lot have taken such a shine to her.

FRANKIE ESSEX ENGLAND

We've broken some big stories here in *Nuts*, but we're still very proud to have unveiled Frankie's fab boob job in the mag earlier this year.

AMY GREEN ENGLAND

We can only apologise for giving you so many brill boobs to choose from – boobs like these, belonging to blonde bombshell Amy.

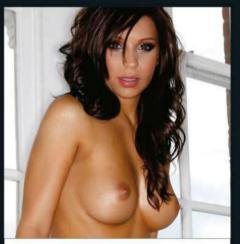

DANIELLE SHEEHAN ENGLAND

We know reality TV has given us some truly shocking stars over the years, but it's also given us incredibly sexy girls such as Danielle.

Chanelle's *Nuts* shoots get ruder and ruder every time, so expect to see even more of these badboys in the magazine again soon.

KAYLEE CARVER ENGLAND

The hottie from Hull once starred in a rather rude shoot with Rosie Jones where the booby pair got down to just their socks. Crikey!

BAR REFAELI ISRAEL 📼

More beautiful than a sunrise made of sausages, our Bar is best known for her mind-blowing swimsuit shoots. Dive in, chaps!

SOFIA VERGARA COLOMBIA ==

These days, actress Sofia regularly knocks us out in affable American sitcom Modern Family as the world's sexiest stepmum.

HOLLY HENDERSON ENGLAND ==

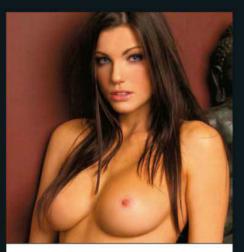

Holly used to date Mario Balotelli. The fact that he couldn't make it work with her makes us even more convinced that he's bonkers. Still, his loss.

RACHEL ALDANA ENGLAND

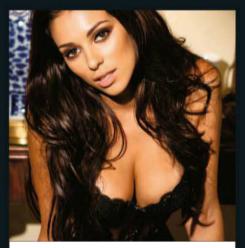

Less a cleavage, more a geographical feature, Rachel's remarkable 30L boobs are enough to keep every Nuts reader happy. Ah, bliss.

LOUISE CLIFFE ENGLAND ==

In her youth, Louise was a top athlete. We think anyone who doesn't find her gorgeous should take a running jump. See what we did there?

GEORGIA SALPA
IRELAND

Born in Greece but raised in Ireland, one flash of Georgia's boobs and the Euro crisis would be solved by turning ministers into drooling wrecks.

BETH HUMPHREYS ENGLAND

If you're looking for a lingerie model - and who isn't? - Beth's your gal. Curvy and sultry in equal proportions, she's a big hit with you lot.

EMILY SCOTT AUSTRALIA

Aussie Emily first appeared in the video for Robbie Williams' Rock DJ. Now she's a DJ herself. No word on her joining Take That, sadly.

43 GEMMA ATKINSON ENGLAND

Hollyoaks may not be quite up there with The Sopranos, but the soap gave us Gemma Atkinson. And that's surely worth a Bafta in its own right.

With her sunshine-coloured locks, Morgan shows that the battle between blondes and brunettes just got a lot fiercer. Advantage, blondes.

SCARLETT JOHANSSON

USA

Son your imagine if Scarlett wasn't an actross h

Can you imagine if Scarlett wasn't an actress but worked in your local chippy? Your town would become an obesity blackspot overnight. Scary.

MICHELLE KEEGAN ENGLAND

Hmm... in the battle of the Keegans, it's either Michelle or Kevin. Much as we love football, we'd sacrifice it all for a half-time team talk with 'Chelle.

Divorce is never something to celebrate – unless it sees one of the USA's hottest ladies back on the market. Sorry, Russell, but we prefer Katy single!

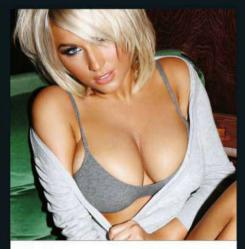

LUCY HARROLD ENGLAND =

Lucy was on ITV's Take Me Out. Far be it from us to state the obvious, but if she needs someone to take her out, she knows where to find us. Please.

LACEY BANGHARD ENGLAND =

Yet another seriously sexy *Nuts* stunner to have brought big boobs to the *Big Brother* house. Channel 5 - you owe us, big time!

BILLIE FAIERS
ENGLAND

Essex gets a bad press, but if all the ladies in the county look like *TOWIE*'s Billie, we're moving there. Even if there are lions on the loose!

The laws of gravity mean that everything is pulled toward the centre of the Earth. So, boffins, how do you explain the perky properties of Jana's boobs?

The Ann Summers model sometimes strolls the streets wearing nothing but raunchy pants. And they wonder why traffic accidents suddenly spike.

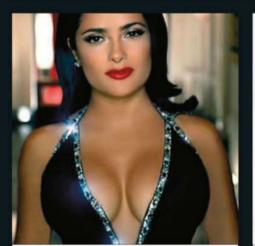

SOPHIE READE ENGLAND

Sophie's smile defines the word "cheeky" while those lovely boobs of hers define something else. Something far, far naughtier, in fact.

NICOLE NEAL ENGLAND

Of course, Nicole's chassis is finer than a Lambo, but it's her luscious lips that do it for us. And, of course, those breathtaking boobies.

SALMA HAYEK

MEXICO

She may be 46 but Salma's exotic looks show no sign of fading. What face cream does she use? We'd use it too, if it wasn't already a lost cause.

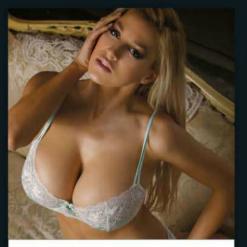

27 EMMA FRAIN ENGLAND

Want to know how create to world peace? Stick Emma in the UN and get her to grin at the North Korea delegate. No more war, lots of phwoar!

Sam's from Chesterfield - gateway to the Peak District and some truly breathtaking views. All of which seems quite appropriate, really.

We know we're stating the obvious, but crikey, just look at the size of her chest! And the rest of the lady rocking said chest ain't too bad either.

GRACIE LEWIS

ENGLAND

Ms Lewis is the first gorgeous Gracie to appear on our countdown. She may be runner-up in the Clash Of The Gracies, but she's still lovely.

23 DANIELLE RILEY ENGLAND

Quite simply one of the most extravagantly curved new babes *Nuts* has had the pleasure of featuring recently. Crikey!

Punky as well as perky, Kitty hasn't been doing too much modelling of late, but our elephantmemory readers never forget a foxy face.

The super-duper swimwear model has recently been romantically linked with P Diddy. The very definition of "punching above his weight".

With that name, Françoise sounds like she might be French, but we're pleased to report that she isn't – she washes and shaves her armpits.

LUCY COLLETT

ENGLAND

The flame-haired new goddess on the block has won over the *Nuts* chaps in no uncertain terms. And really, is there any wonder?

PETA TODD

ENGLAND

Peta may well have hung up her modelling bra (if that makes sense) but she leaves behind a fine body of work involving her very fine body.

You saw her in the pages of *Nuts* last week, and clearly this lovely lady made an impression on your minds and voting clicky-fingers.

It's the other Kelly, of course! If you're confused, Kelly Hall is the hot one with big boobs and Kelly Andrews... wait, this isn't going to work.

In the miniature competition of the Kellys that we've only just invented, it was young Ms Hall who emerged the narrow victor.

KELLY BROOK
ENGLAND

And another Kelly! Ms Brook is the highest-placed of all the non-glamour girls, and it's no surprise – most of her films seem to involve nudity clauses.

SAMMY BRADDY ENGLAND

Sammy may have retired from the topless modelling game, but her placing proves you have long memories when boobs are involved.

For all you fans of the natural megaboob, here's a treat to kick off your sexy top ten, courtesy of Welsh lovely Sarah. Thanks, Sarah!

HOLLY PEERS
ENGLAND

Holly's always going to be in the shake-up when it comes to your favourite babes, and lo and behold, it's another top ten finish for perfect Peers.

BANICA THRALL ENGLAND

The *Big Brother* beauty is wearing her trademark sultry pout and lack of clothing. A combination for which we're eternally grateful.

The ultimate girl next door is the epitome of ace boobs. Let's face it, no top ten would be complete without the lovely Ms Jones, would it?

Another newbie who has been taken into the hearts of the *Nuts* readership, Joey's a Welsh wonder with a chest that defies all rational belief.

Delightful Jess is a newcomer to the glamour scene who has taken the babe charts by storm – along with a few other Welsh fitties.

'Our sexy fun in the sea'

WITH THE weather being so awful at the start of spring, my friends and I booked a week of sun in Gran Canaria. After a few days of chilling around the pool, I'd met this hunky Spanish guy and we started a hot and horny affair. One afternoon, we were mucking about in the sea. I had my legs wrapped tight around him and felt him go hard. There was hardly anyone on the beach, so when he pulled my bikini bottoms aside, I didn't stop him. Things got so heated that soon enough, we were going for it in the sea. It was a great experience but the waves were strong and kept knocking us over. We decided to finish off in our room, so made a quick exit from the beach leaving my friends guessing correctly what we were up to! **Terri Kent**

OUR SECRETA

Racy revelations from our female readers!

'Lesson was ride of my life'

I RECENTLY had a driving lesson with my friend's gorgeous older brother, so I made sure I was looking my best, with my long legs on show. He gave me precise instructions and I was soon driving confidently. Sliding my hand over the gear knob, I noticed him looking at my legs. He placed his hand on mine and I grinned at him. I pulled into a layby and in no time, we were kissing. I soon had my hands on his rock-hard erection and felt him throbbing with excitement and moaning to blow. I've been having lessons three times a week ever since!

Vicky Hull

'My naughty

MY MATES and I went to a college reunion recently. We all got dressed up in

short skirts, knee-high socks and tight shirts. We eventually went into town and I found myself looking at one friend in particular all night - she looked really sexy. I went to the toilet to put some make-

up on and she followed me, ushering me into a cubicle. She smiled and then leaned in to kiss me. She was very gentle, licking and biting my tongue. I ran my hand up her tight dress and felt her knickers were wet, so I slid my finger in and played with her until she came. She then pinned me down and started kissing up my legs. When I felt her tongue on my clit, I wanted to scream. I came almost instantly. After we were finished we went back and joined our friends again like nothing had happened!

'Work cleaner got an eyeful'

I'D STARTED seeing a guy at work and one day, he said he was staying late, so I decided to do the same. After everyone had left, it wasn't long before we were kissing and touching each other. He'd soon pulled my panties to one side and slid his fingers inside me. I begged him to take me then and there. I stood up and bent over the photocopier, he lifted my skirt and slid straight into me. Then I noticed a cleaner watching us from an office window across the street! The sex was intense and fast. As soon as we finished, I smoothed my skirt down, looked up and winked at the stunned cleaner!

10 RUDE QUESTIONS!

And a real girl to answer them!

Holly

18 Birmingham

Where's the strangest place you've had sex?

"Certainly the most exciting place I've had sex was on my mate's sofa. It was even more strange because she was lying on the other sofa across the room and listening. That was a bit of a turn-on!"

What's your trademark move in the bedroom?

"I love to use naughty toys and outfits to turn the guy on. I also love being in the missionary position and just enjoying the sex."

What really turns you on?

"Having a naked shower with a man after or during sex, as it's really naughty and I love getting wet. Or sometimes I ask him to give me a rough massage as I just love being felt up."

What's your favourite 4 position?

"Doggy style. It turns me on every time. I love it when the guy slaps my bum, pulls my hair, and kisses my neck."

5 Is it better to give or receive?

"I prefer receiving and letting my lover take the lead. As long as I receive some good action I'll always give something sexy back."

What one thing would

"I'd like to try an orgy! I've never had sex with more than one person at a time, so I think it'd be fun. It could go on for hours!"

Have you ever got it on with another girl? with another girl?

"Yes, my best friend! We always make out and dryhump each other. Most people think we're lesbians, but the truth is we just enjoy each other's company."

What's your role-playing costume of choice?

"Probably my policewoman outfit. I wear it so that I can arrest the guy and spank him with my whip!"

Have you ever made a sex tape?

"No, but that would definitely be something on my 'to do' list. Afterwards, we could watch it over with some popcorn!"

What's the rudest thing you've done?

"I once got naked on a webcam and did some very naughty things to myself!"

Touchline lunacy from some of the game's top bosses!

-

EVEN
THOUGH we

all knew he was a bit bonkers, we were still a tad surprised by Paolo Di Canio going completely loony during Sunderland's win over Newcastle last week. In reality, though, he was simply continuing a proud managerial tradition of losing the plot on the touchline.

We asked the legendary Paul Merson, himself a boss at Walsall between 2004 and 2006, to explain the many manifestations of managerial madness.

Yes, there's been trouble recently, but not from real footy fans!

The first game, Millwall vs Wigan, had 31,000 Millwall fans in the stands, so you have to believe that people who haven't been to a football match in a long time just thought they'd go for the hell of it. I'm sure

there were people there who just thought they'd go because Millwall were playing, and if things went belly-up for them, they'd get to have a dust-up.

As for Newcastle, all the trouble happened in the city centre, caused by people who may have been to the match but had been drinking all day, and were

upset that Newcastle were humiliated by Sunderland. So they thought it would be a bit of a giggle to express their displeasure by causing some mayhem.

But are these signs that hooliganism's on the way back? I doubt it. They're anomalies - people can still expect to go to football matches safely.

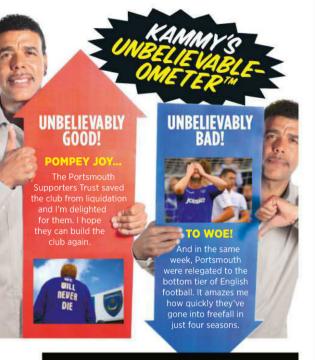

The authorities could punish Sergio Aguero!

ANOTHER THING that happened over FA Cup semifinal weekend was Sergio Aguero clattering Chelsea's David Luiz. The FA says you can't retrospectively review an incident like this if the ref has seen it. Why? They review red cards when a club appeals and overturn them if the wrong decision has been made. So what's the difference between a "foul" that's been wrongly punished, and an actual foul that's escaped censure?

Their rules just don't make sense. You can appeal against a red card, but you can't appeal against a yellow, and you can't punish a serious foul if it's been unpunished by the ref. I don't know what they're playing at!

 Send jokes, comments, pics etc to kammy@ipcmedia.com. The best one each week wins a signed Nuts T-shirt!

Congrats to Cardiff!

CARDIFF WILL double the number of Welsh teams in the Premier League next season. Whether they'll be the credit to the Premier League that Swansea have been remains to be seen, but it's a great story, with Craig Bellamy crying when they went up. Liverpool did him a favour by allowing him to return home on a free when I know Brendan Rodgers would have liked to have kept him. Plenty of Premier League clubs would have wanted him but he went home, and I'm pleased for him. He gives each club he plays for 100 per cent.

ASK KAMMY!

- Which would you prefer in the Champions League, El Clásico or an all-German clash?
 - **PETE** via Twitter
 - Tricky one! I have no preference. They're four fabulous teams, but who could resist getting El Clásico at Wembley?
 - Who's your best friend in football? **KEITH** via Twitte

I speak to Middlesbrough chairman Steve Gibson

DODGIEST BARNET!

One of the most hotly contested of all the categories, and yet we can say without too much hesitation that if it ain't going to be Gervinho of Arsenal, it'll surely be Marouane Fellaini of Everton.

"Hey! Where did the handdryer go?"

PUNDIT OF THE YEAR!

Hansen! Neville! Keane! Kamara! Claridge! Men so steeped in footballing wisdom that they don't even need first names! But who is the very best of the very best on the box?

BARGAIN OF THE YEAR!

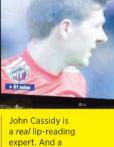

Who represents the best VFM in the game? Swansea's Michu, with his many, many goals? United's Van Persie with his, um, many, many goals? Or Villa's Benteke with... you get the idea.
